Test Case
Description
Click the See All Bots button.

Test Data
The list of bots.

Expected Result
The bots should all be displayed.

Actual result.
The server fails to make a request.

Pass/Fail
Fail

Bug Report
The loss counter is always incremented even if the player won.

Steps to reproduce
1. Click Draw
2. Choose 2 bots
3. Click Duel!
4. Repeat Steps 1-3 until you win.

Test Plan
Test to see if the correct counter is incremented.
